Honorable Allen W. Dulles  
2723 Q Street, N.W.  
Washington, D.C.

Dear Mr. Dulles:

Hope that the enclosed clipping from the COOPERSVILLE OBSERVER will be the last we have on the NBC "Science of Spying."

Also enclosed are a few other items which may interest you:

1. Prints made from TV film coverage of the 28 April swearing-in ceremonies at the White House.
2. A clipping from the 30 June CONGRESSIONAL RECORD which George Cary of the Legislative Counsel's office asked me to send you.
3. Two copies of our revised issue of the brief history of the Agency (I learned to my chagrin after it came back from the printers that the 1951 amendment noted in the paragraph numbered (8) on page 4 has since been repealed -- we will correct this in the next printing).

Am still looking forward to the opportunity of getting you to autograph my collection of your books.

Sincerely,

FOIAb3b
